

PRAISE FOR CINEMATOGRAPHER
CHRISTOPHER BLAUVELT
"INDIGNATION"

"The film is a class act in every department...the cinematography of Christopher Blauvelt, with its insinuating low and high angles, reminds us constantly that a life is being scrutinized. Schamus can very respectably add director to his string of career achievements." – *Hollywood*
THE REPORTER

"Speaking of which, while James Schamus is a screenwriting veteran having penned the scripts for **Ang Lee** pics like *Hulk* and *Lust, Caution*, this marks his directorial debut. Schamus' tenure as the CEO of Focus Features led some to doubt whether he could make the leap to filmmaker himself, but he proves to be a fine fit for the director's chair, corralling his ensemble with ease and crafting an absolutely gorgeous frame with cinematographer **Christopher Blauvelt.**" – **COLLIDER**
