Andrew Wheeler

Cinematographer

Wheeler played in a punk band for six years, shot musicvideos, commercials, SXSW feature “Cheap Thrills,” and doc “La Bare.” He’s just shot the “Candy Ranch” pilot for Comedy Central’s Adult Swim, and Taylor Kitsch’s short “Pieces.” which played in the Palm Springs Intl. Shorts Fest. Traveling with a band helped develop his interpersonal skills. “Learning how to exist with six people, the management skills you need to get what you want is kinda like being on a film set,” he says.
